Ethos in HTETNS

- Ethos update for this month comes with thanks to Siobhan's Junior Infants: Over the past few weeks we've been very busy in Junior Infants. Our core value for June is understanding so we have been working on being more understanding when our friends are upset and helping them feel better. June is Pride Month, so we have been learning all about that through stories and songs. We have learned that families come in all different shapes and sizes and to be proud of who you are and proud of your family. We are looking forward to the Pride march this coming Friday!
