

HARCOURT TERRACE
EDUCATE TOGETHER
NATIONAL SCHOOL

Agreed Report Board of Management

Date of Meeting: Thursday 23rd May 2024

Attendees: Sylvia, Tony, Kirsty, Warren, John, Seánín, Lorraine

Apologies from: Chris

Governance

- The Chairperson welcomed the Board

Ethos

Learn Together update - 4th Class have been researching natural habitats during SESE lessons. Our Learn Together lessons have integrated with this topic as we have explored the concept of 'An Ethical Approach to the Environment'. So far we have learnt about the elements 'Environmental Issues' and the 'Interdependence of Life'. This included a trip to Lidl Farm where we learned about sustainable food production. We will also be visiting the 'Kingfisher' project at Blarney Park next week (23rd May), where we will learn about biodiversity and human impact on the environment. This will lead us in to researching some other specific examples of 'Environmental initiatives' and 'Environmental Activism'.

Events

- Next BOM on 20th June 2024.
