HTETNS FUNDRAISING

 HARCOURT TERRACE
EDUCATE TOGETHER
NATIONAL SCHOOL

A photograph of a modern school hallway. The hallway features concrete walls and a high ceiling with large windows. On the left, there is a staircase with a wooden handrail. On the right, there is a wooden bench and a green exit sign. The overall atmosphere is bright and open.

PROJECT OVERVIEW

Our plan at HTET is to fundraise for both short term projects and long term projects. We hope to raise money for larger scale items such as playground materials, as well as investing in classroom and educational resources. Using teacher, student and parent voices, we have gathered our main aims and plans to create sustainable long terms goals for all of the children and the children to come at HTETNS.
